<u>Total Daygirl per term:</u>	<u>\$ 1,229.75</u>	

Boarders:	Per Term	Please note:
Boarding fees	\$ 5,091.14	-includes GST. -Sibling discount applies 5% -Further discount of 4% if Fees paid in full in Term 1, otherwise Boarding fees invoiced Terms 1-3: 30%, then the remaining 10% in Term 4.
<u>Total Boarder per term:</u>	<u>\$ 6,320.89</u>	

Payment of Fees

If automatic payments are to be set up we recommend \$150 per week for a Daygirl or \$450 per week for a Boarder.

Contributions*

Parent & Development contributions are both voluntary school donations and qualify for an IRD tax rebate:

Parent Contribution

This is to pay for the Chaplain's salary and RSE costs. It also goes towards teaching and learning costs in the areas of resources and equipment, and additional teachers, over our MOE entitlement to maintain our small classes.

Development Contribution

This is to go towards building developments including earthquake strengthening, much needed upgrades and new buildings.

Attendance Dues

These are compulsory and are set by Government Regulation to recover the costs of servicing and repaying the School's financial commitments.

Boarding

Boarding Fees can be paid in full for the year in Term 1. Please contact our Bursar should you wish to do this.

A term's notice advising of a change of status i.e. Boarder to Daygirl, or a boarder's total withdrawal from Craighead must be given, otherwise the equivalent term's boarding fee will be charged.

Craighead Connect

Formerly Craighead Parents' & Friends' Association. This is a small voluntary donation charged per family each term as an activity cost. Craighead Connect is run by parents of the school, outside of school charges. The termly donations are used to support all students by purchasing items for their use i.e. lockers, picnic tables, etc

**Paying your school contributions (including donations) is important in keeping the Special Character of Craighead alive. It allows us to provide your daughter/s with the very best teaching staff, low class numbers and the beautiful modern environment in which our students thrive in. Each and every family's contribution makes a difference for Craighead to operate effectively and turn our future building plans into a reality. We thank you in advance for paying all the contributions as set out in the fees schedule and for choosing Craighead to lay the foundation for your daughter's future.*
